## Profile

---

I am an Engineering Undergrad, studying at VSS University of Technology, in the department of Electrical & Electronics Engineering. I am a Technology enthusiast eager to work in the field of Software Development. I am an enthusiastic person eager to contribute to the Team Success through hard work, attention to details and organizational skills, motivated to learn, grow and excel in this field. Since I am from Biology background, but eventually lorem ipsum has become a part of my life.
